

MSI Regional Centre of Expertise 5-Day Training Course - starting September 2024 Sittingbourne, Kent

Jointly delivered by NatSIP and the Kent Sensory Service, this 5-day training course, offered over nine weeks, provides a practical approach to supporting access to learning for children and young people with deafblindness or multi-sensory impairment.

The course is for hands-on practitioners who work on a regular basis with learners who are deafblind or multi-sensory impaired

The aim of the course is to provide the participants with an opportunity to explore the needs of the individual children and young people, reflecting on, sharing and developing their practice. A local or course mentor will work participants to develop an outcomes-focused case study

Dates and sessions:

Friday 20 September 2024	Implications of MSI
Thursday 10 October 2024	The Role of the Senses
Thursday 24 October 2024	Developing Communication Skills Session I
Thursday 7 November 2024	The role of Touch in Learning
Thursday 21 November 2024	Developing Communication Skills Session II
